

ADVANCED WORKSHOP

Raising Healthy Families

YOUR CHOICES, THEIR FUTURE.

Dr. Tansor has dedicated his life to serving the health needs of his family and the community. Parents want to be informed about the choices they may need to make about the health and nutrition of their family. With so many products and advertisements, the decision as to how to provide optimal health through nutrition for you and your children can be very difficult. In one phenomenal hour, Dr. Tansor will teach you:

- How healthy childhoods can prevent chronic diseases.
- Nutrients and anti-nutrients. Build health, not illness.
- Nutritional myths.
- Properly fuel the vehicle through which you express life.
- How to save your family thousands of dollars a year on medical expenses!
